

With considerable experience and extensive

knowledge of plant life and local climates, Garden

Graphics can transform your landscape into a

beautiful outdoor living space. Garden Graphics

will develop a landscape master plan to meet

your needs, your vision, and your budget. Your

landscape plan will help you avoid the costly

mistakes that "do it yourselfers" commonly make.

*A Beautiful
Landscape
begins with a
Well Designed
Plan*

*"...The best investment
we've made in
personalizing and
beautifying our home."*

Catherine & Frank Newhouse, Sacramento

*"...Marti listened carefully to what we
wanted and gave us great ideas and advice."*

Victoria & Demetri Ronay-Vryonis, Sacramento

"...She simplified and clarified how and what to do..."

Deb Rowland-Bird, Sacramento
