- Motorcycle Accidents
- Brain & Spine Injuries
- Wrongful Death
- Worker's Compensation

- Birth Injuries
- Brain Injuries
- Surgical & Hospital Negligence
- Misdiagnosis & Wrongful Death
- Nursing Home Negligence & Abuse

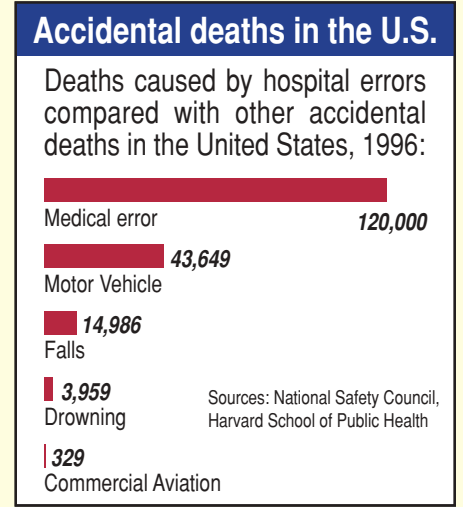

We provide aggressive professional representation to those who have been injured due to the negligence of another party. We are not a "settlement mill." We are an experienced trial firm and are not afraid to bring cases to trial when necessary. We also provide personal attention to your case helping negotiate through the maze of medical-legal and insurance hassles.

*"...Aggressive and professional in court and made sure we received a fair settlement for our injuries and lost time at work... always available when we needed questions answered. We highly recommend Warner Law Offices."*  
*Bob and Debbie Wesley*

- Free Initial Consultation
- No Fees Unless You Recover
- Personal Attention

*"My brother suffered a catastrophic brain injury at a Wichita hospital. We were at a loss. Tom Warner--with his commitment and passion to our cause, in and out of the courtroom, helped us hold the hospital and doctors accountable for their negligence."*  
*Carla Wilson*
